Attention: Mr. Abhijit J. Bagde

Subject: BCAG 2004 FTIP Administrative Amendment #5 – Request for State Approval: PPNO 3124B – SR 70 and Montgomery St. Beautification Project in the City of Oroville (TE Project).

Mr. Bagde:

The Butte County Association of Governments administratively amended the 2004 Butte County FTIP for the purpose of moving the fund source within the triennial element of the TIP for the City of Oroville's TE Project known as the SR 70 and Montgomery St. Beautification Project.

The reason for moving these funds was to reflect a deletion of Transportation Enhancement (TE) funds from R/W to PS&E. Specifically, BCAG deleted \$6,000 in R/W in FY 4/5 and added the fund to the PS&E component for a total of \$73,000. In addition, local funds were used instead for the R/W component. There is no change in the FY 4/5 TE funds, however, the total project cost increased by \$6,000 for a total project cost of \$79,000.

The reason for this administrative amendment is to ensure the City of Oroville's request for allocation (STIP) is consistent with the federal request for authorization. All FTIP Amendment material can be found at BCAG's website at: http://www.bcacg.org/planning/2004_ftip.html.

On behalf of the Butte County Association of Governments, we respectfully request State approval on this administrative amendment to the 2004 Butte County FTIP. If you have any questions, please contact Mr. Iván García, Programming Manager for BCAG directly at 530-879-2468.

Thank you for your assistance.
